

An initiative to reduce your carbon footprint

We have identified that correspondence such as loan statements or interest rate change notifications for this loan facility are being issued to more than one borrower or guarantor on the loan.

In the interest of lowering the environmental impact of issuing more than one of each notice to our borrowers for each correspondence, we have enclosed this information sheet and the following nomination form for completion, as well as a reply-paid envelope to return the completed nomination form to the Lender.

What is the purpose of the nomination form?

The Nomination Form is used if there are two or more borrowers/guarantors on the loan and the loan is regulated by the Uniform Consumer Credit Code (UCCC).

Under the UCCC the Lender is required to send correspondence to all borrowers and guarantors separately, even if one or more of you live at the same address. The Nomination Form allows you to nominate **one** person to receive correspondence on behalf of any other borrower/guarantor.

Who is required to sign the form?

IMPORTANT: All borrowers and guarantors must sign the form in order for the nomination to be accepted by the Lender.

Do we have to complete this form?

You must complete the form if you want one person to receive all correspondence. If all borrowers/guarantors wish to receive their own correspondence then there is no need to complete the form.

What if we change our minds and want everyone to receive their own correspondence?

Any borrower or guarantor who wishes to receive correspondence can make a written request through their Mortgage Manager.

What do we write in the top section of the Nomination Form, after “RE:”?

Write the name of the loan, e.g. “Smith, A B & C D” and the Loan Number or Loan ID Number(s).

Who can we contact for further information?

Please contact us on the phone number noted on the first page of this correspondence if you have any further questions regarding the Nomination Form.
